

CodeNinja.ai - Privacy Policy

CodeNinja.ai, Inc. (“CodeNinja.ai”) is committed to protecting your privacy. This CodeNinja.ai Privacy Policy provides our policies and procedures for collecting, using, and disclosing data collected by CodeNinja.ai through the CodeNinja.ai.com domain name (the “CodeNinja.ai Website”), as well as through CodeNinja.ai’ proprietary software and platform (collectively, the “CodeNinja.ai Platform”), any other such service provided by CodeNinja.ai (collectively with the CodeNinja.ai Platform, the “Services”). As used in this CodeNinja.ai Privacy Policy, all capitalized terms not otherwise defined in this CodeNinja.ai Privacy Policy shall have the meanings assigned to such terms in Terms of Service.

THIS PRIVACY POLICY APPLY TO THE CodeNinja.ai WEBSITE AND THE SERVICES. THIS CodeNinja.ai PRIVACY POLICY (A) DOES NOT APPLY TO SERVICES OFFERED BY OTHER COMPANIES OR INDIVIDUALS OR SITES OR APPLICATIONS THAT MAY INCLUDE THE SERVICES; (B) DOES NOT COVER THE INFORMATION PRACTICES OF OTHER COMPANIES AND ORGANIZATIONS WHO MAY USE THE SERVICE; AND (C) DOES NOT APPLY TO THE COLLECTION, STORING, USING, AND DISCLOSING OF PERSONALLY IDENTIFIABLE INFORMATION OF END-USERS THROUGH YOUR APP.

YOU ARE RESPONSIBLE FOR COMPLYING WITH ALL APPLICABLE LAWS, INCLUDING, BUT NOT LIMITED TO, ALL APPLICABLE PRIVACY LAWS, REGARDING THE COLLECTION, STORING, USING, AND DISCLOSING OF PERSONALLY IDENTIFIABLE INFORMATION OF END USERS OF YOUR APP.

Accessing Your Personal Information

You may view or edit your personal information and preferences by visiting the Website and logging into your CodeNinja.ai Website User Account.

From your CodeNinja.ai Website User Account, you can choose to receive or stop the delivery of future newsletters, promotional email, and surveys from CodeNinja.ai. Please note that this does not apply to the display of online advertising, nor do they apply to the receipt of mandatory service communications that are considered part of the Services, which you may receive periodically unless you cancel your CodeNinja.ai User Account.

Collection of Your Personal Information

When you open a user account with CodeNinja.ai, we ask you to provide certain personal information, such as your name, e-mail address, desired username and password, home or work address, and/or telephone number. We may also collect general demographic information, such as your age, gender, ZIP code, preferences, and interests. If your App uses a location-enabled service, we may collect and process information about your actual location (e.g., GPS signals sent by a mobile device) through such location-enabled service or through other various technologies (e.g., sensor data from your device on nearby Wi-Fi access points and cell towers).

We may also collect and store information that (a) your end users upload, download, or access through your App and/or the Services; (b) you give us access to through third party services (e.g., email service, on-site data store, social network connection services).

We may also collect information about your visit to the Website, such as pages viewed, links clicked and other similar navigation action in connection with the Website. Additionally, we collect certain standard browser information, such as your browser type, IP address, and access times.

When you receive promotional emails or newsletters from CodeNinja.ai, we may use customized links or similar technologies to determine whether such newsletters or e-mail has been opened and which links you click. This information is used to provide you more focused e-mail communications and/or other information.

BY ACCESSING OR USING THE CodeNinja.ai WEBSITE AND/OR SERVICES, YOU HEREBY CONSENT TO OUR COLLECTION AND STORING OF PERSONAL INFORMATION AS SET FORTH HEREIN.

Use of Your Personal Information

CodeNinja.ai collects and uses your personal information to operate and improve the Website and better deliver the Services. These uses may include performing analysis aimed at improving the Service; making the Website or Services more user friendly by reducing the need for you to repeatedly enter the same information; and displaying advertising and content that are tailored to your preferences and interests.

CodeNinja.ai may support the Website and the Services by advertising, and accordingly, we may use some of the information collected in order to customize the advertisements to your interests and preferences. However, the process of selecting customized ads tailored to you will use data that does not personally identify you, such as using demographic data such as ZIP code.

We also use your personal information to communicate with you, such as providing you with mandatory notices or discretionary notices about the Service. From time to time, we may also send you surveys or promotional mailings to inform you of other products or services available from CodeNinja.ai and its affiliates.

In the event that you are offered to participate in a survey, such a survey will include a privacy statement that details the way CodeNinja.ai will use the information submitted with that survey.

Personal information collected on CodeNinja.ai sites and services may be stored and processed in the United States or any other country in which CodeNinja.ai or its affiliates, subsidiaries or agents maintain facilities, and by using a CodeNinja.ai site or service, you consent to any such transfer of information outside of your country.

Sharing of Your Personal Information

Except as described in this Privacy Policy, your personal information will not be disclosed to any other third party without your consent. By accessing your CodeNinja.ai User Account, you may choose to share your personal information with select CodeNinja.ai partners so that they can contact you about their respective products, services or offers.

In order to provide you with better experience of CodeNinja.ai' product and facilitation of our product improvement, CodeNinja.ai may share your personal information as follows to certain Joint Users (as defined below):

1. (1) Items of your personal information CodeNinja.ai may share with Joint Users:
 - (a)
 - Your account level
 - Your personal information
 - Server usage information
 - Your billing information
 - (b)
 - Application level
 - Application information provided by you
 - Application definition files which are generated by CodeNinja.ai' proprietary software ("CodeNinja.ai platform")
 - Resource files (image,sound,video,localization files) uploaded by you
 - Web contents which you upload
 - (c)
 - End user level
 - End user information
 - End user contents
 - End user behavior logging data
 - Billing information in the application
 - Other data which is uploaded by end user and defined by application
2. (2) The scope of Joint Users:
 - Subsidiaries and affiliates of CodeNinja.ai, Inc
 - CodeNinja.ai partners that provide CodeNinja.ai platform to end users

CodeNinja.ai may occasionally hire other companies to provide limited administrative and communication services on our behalf, such as hosting websites, the processing and delivery of mailings, providing customer support, or performing statistical analysis of the Services. Those companies will be permitted to obtain only such personal information as necessary for them to deliver the service. Those companies are required to maintain the confidentiality of the information and are prohibited from using it for any other purpose.

As discussed below, CodeNinja.ai may use third party advertisers, including ad networks, to provide advertising on its websites. In addition, CodeNinja.ai uses third party analytics products to obtain information about how users are using and interacting with CodeNinja.ai. These third parties may receive Information (including personally identifiable information) from CodeNinja.ai as discussed in greater detail below.

CodeNinja.ai may access and/or disclose personal information about you or your account without your prior consent if CodeNinja.ai has a good faith belief that such action is necessary to: (i) comply with legal process or other legal requirements of any governmental authority; (ii) protect and defend the rights or property of CodeNinja.ai (including the enforcement of our agreements); (iii) enforce the Terms of Use (v) operate or conduct maintenance and repair of the Services or equipment as authorized by law; or (vi) act in urgent circumstances to protect the personal safety of users of CodeNinja.ai Services or members of the public.

If CodeNinja.ai, or substantially all of its assets, is acquired by another company or party, user information will be one of the assets transferred or acquired by the purchaser. You acknowledge that such transfers may occur, and that any purchaser of CodeNinja.ai or its assets may continue to collect, use and disclose your information as set forth in this CodeNinja.ai Privacy Policy.

Comments and Public Posts; Sharing on Third Party Websites

CodeNinja.ai encourages active participation by users, including through comments on CodeNinja.ai. However, please be aware that if you voluntarily disclose Information, personal or otherwise, on CodeNinja.ai, that information can be viewed, collected and used by others. CodeNinja.ai has no control over the use, collection or disclosure of any Information that you post publicly on CodeNinja.ai.

CodeNinja.ai also offers the ability to share your information on third party websites, including social networking services such as Facebook or Twitter, through “plugins” or “widgets.” When you elect to share your information with others on third party websites, the CodeNinja.ai Website and anyone who has access to content on that CodeNinja.ai Website will be able to see that information. CodeNinja.ai has no control over the use, display or collection of any information that you share through third party websites. Your decision to share information in this manner is completely voluntary. You should ensure that you are comfortable with how third party websites may share your information by reviewing those services’ privacy policies and/or modifying your privacy settings directly on those services.

Security of Your Personal Information

The personally identifiable information CodeNinja.ai collects is securely stored within our database, and we use standard, industry-wide practices such as firewalls, encryption, and (in certain areas) Secure Socket Layers (“SSL”) for protecting your information. However, as effective as encryption technology is, no security system is impenetrable. CodeNinja.ai cannot guarantee the security of our database, nor can we guarantee that information you supply won't be intercepted while being transmitted to CodeNinja.ai over the Internet. We recommend that you not disclose your password to anyone.

Collection and Use of Children's Personal Information

The Website and the Services are intended for general users, and CodeNinja.ai does not knowingly collect any personal information from children. During the registration process for a CodeNinja.ai Account, CodeNinja.ai does collect age information, and if users identify themselves as under 13 years of age, CodeNinja.ai will block such users from providing personal information.

Collection and Use of Information About Your Computer

Certain features of the Services connect to CodeNinja.ai’ computer systems over the Internet. You will not receive a separate notice when these features connect. **By using the Services or the Software, you expressly consent to the transmission and use of this information as set forth herein.** These services use Internet protocols, which send to the appropriate systems computer information, such as:

- your Internet protocol address;
- type of operating system;
- browser and name and version;
- your hardware information;

- and
- your regional and language settings.

CodeNinja.ai uses this information to make other features and services available to you. CodeNinja.ai may use the computer information to improve the Service, including, but not limited to, the Software and the Internet-Specific Services. We may also share such non-personal information with others, such as hardware and software vendors. They may use the information to improve how their products run with the Service.

Use of Cookies

CodeNinja.ai uses "cookies" to collect non-personal data and information. Cookies are small text files a website uses to recognize repeat users, and is typically placed on your hard disk by a Web page server. Cookies contain information that can later be read by a web server in the domain that issued the cookie to you. The way cookies function is by assigning a number to the user that has no meaning outside of the assigning Web site.

You should be aware that CodeNinja.ai cannot control the use of cookies (or the resulting information) by CodeNinja.ai' third-party partners or advertisers.

You have the ability to accept or decline cookies. Most Web browsers automatically accept cookies, but you can usually modify your browser setting to decline cookies if you prefer. If you choose to decline cookies, you may not be able to sign in or use other interactive features of CodeNinja.ai sites and services that depend on cookies.

Analytics Services

CodeNinja.ai may use third party analytics providers and products to obtain, compile and analyze Information (that may include personally identifiable information) about how users are using and interacting with CodeNinja.ai. CodeNinja.ai may provide information (that may include personally identifiable information) to these analytics providers for the purpose of obtaining statistics and other information about how users are using and interacting with CodeNinja.ai. These analytics providers may use a variety of established or new tracking technologies or tools (including, without limitation, cookies, web beacons, HTTP cache, local shared objects and persistent identifiers) to recognize your computer or device and/or to collect or compile this information. CodeNinja.ai' users have no control over the technologies, tools or practices of the third parties that provide analytics products and services to CodeNinja.ai.

Advertisements Displayed by Third Parties

CodeNinja.ai may allow third-party ad serving companies, including ad networks, to display advertisements on the Website. Ad serving companies may place a persistent cookie on your computer in order to recognize your computer each time they display an online advertisement to you, and as such, they may be able to compile information over time about whether you reviewed or clicked on advertisements they display. These companies may use this information to display targeted advertisements and may associate this information with your subsequent visits, purchases or other activities on participating advertisers' websites.

CodeNinja.ai has no control over the technologies, tools or practices of the advertisers that provide advertising and related services on CodeNinja.ai. This CodeNinja.ai Privacy Policy does not cover any collection, use or disclosure of information by advertisers who provide advertising and related services on CodeNinja.ai. These advertisers' information gathering practices, including their policies regarding the use of cookies, Web beacons, and other tracking technologies, are governed entirely by their own privacy policies, not this one.

Comments Regarding this Privacy Policy

CodeNinja.ai welcomes your comments regarding this Privacy Policy. If you have questions regarding this Privacy Policy, please contact us by e-mail at privacy@CodeNinja.ai.com.

Modifications of this Privacy Policy

CodeNinja.ai MAY MODIFY THIS PRIVACY POLICY AT ANY TIME, IN CodeNinja.ai' SOLE DISCRETION, AND SUCH MODIFICATION SHALL BE EFFECTIVE IMMEDIATELY UPON EITHER POSTING OF THE MODIFIED PRIVACY POLICY ON THE WEBSITE OR NOTIFYING YOU. YOU AGREE TO REVIEW THIS PRIVACY POLICY PERIODICALLY TO ENSURE THAT YOU ARE AWARE OF ANY MODIFICATIONS. YOUR CONTINUED ACCESS OR USE OF THE WEBSITE AND/OR THE SOFTWARE SHALL BE DEEMED YOUR CONCLUSIVE ACCEPTANCE OF THE MODIFIED PRIVACY POLICY.
